

# The Rotary Club of Dingley Village Bulletin

DISTRICT GOVERNOR: RUSSELL GURNEY

ASSISTANT DG: SUE CORNELISSEN

23<sup>rd</sup> August 2018

## From President David Cugley

Dear members

Thank you to Sue Hilton for chairing our last meeting. I hope everyone has found our move to the Mentone RSL a happy and warm place for us to conduct our future meetings. Two Year nine students, who the club sponsored for the Camp Awakening program, spoke of their experiences and the skills they gained while attending this program. Sue has kindly sent the following report. *'Eve Williams with her parents, Nick and Jeanette together with Sage Kloprogge with her parents, Katie and Carl gave a presentation on their Camp Awakening experiences. The girls presented a promotional video of Camp Awakening, which was taken while they were at Camp Manyung, Mt Eliza. They then spoke individually with much confidence and speaking ability, outlining what they had got out of the weekend's program. Both expressed how fortunate they were to have had this opportunity, and both said that they came back from the camp with different outlooks and views. The girls were such good speakers, that we should keep them in mind for the ANZAC public Speaking competition next year.'*

Eve is going on a school service program next year to Borneo. She mentioned that she needs to raise \$7,500 for this and maybe as a club, we should consider giving something towards it.

Thank you to all the club members who have kindly volunteered their time to assist with the Rotary Club of Noble Park Keysborough to operate the BBQ for car seat restraints sessions in Springvale on either the 31<sup>st</sup> August or the 1<sup>st</sup> of September. Your presence and support of this project continues to highlight our valuable service contribution in our community. The roster for this is on the following page.

On September 6, the club will be hosting Daryl Moran, Coordinator of our District 9810 EARYACT program. The three local Primary Principals will also present on their service programs. I hope that this will be the beginning of a strong link between our club and the local primary schools with service opportunities.

On September 27, there will be a Board meeting only. Would those on the Board please send Sue their program reports and agenda items at least a week prior to the meeting?

Your willingness to recently donate \$500 towards our District's project 'Our Farmers in Need' will go a long way towards our farmers gaining the necessary support and assistance as they battle the ongoing drought in much of our country.

William Belt, a strong supporter of our club is not in the best of health at present. On behalf of our club members we wish William a speedy recovery and look forward to seeing him up and about soon.

Be good, be safe and be happy.

***Active involvement in providing meaningful, valued activities that benefit and enhance the qualities of lives in our local community and beyond.***

## Coins for Kids

Our Rotary club has collaborated with local businesses - the Bendigo Bank and World Destinations, to collect overseas coins and notes to benefit the most disadvantaged children in the world.

*Did you know that 60 Euro cents could provide a child with a pencil and book for school? 180 Thai Baht (the equivalent of \$6) will provide 20 doses of potentially life-saving measles vaccine.*

Foreign currency collected will be given to UNICEF's Coins for Kids program. UNICEF is a leading organisation providing help for the most vulnerable children. If you have foreign coins that may never be used again, bring them to our meeting or if you are in the shopping centre please drop them in to the branch of the Bendigo Bank or World Destinations in Centre Dandenong Road opposite the shopping centre.
