

The Rotary Club of Dingley Village Bulletin

DISTRICT GOVERNOR: RUSSELL GURNEY

ASSISTANT DG: SUE CORNELISSEN

30th August 2018

From President David Cugley

Dear members

Last week myself, Steve, Malcolm, Sue, and David Hilton attend the Rotary Club of Noble Park, Keysborough's Vocational dinner at St Joseph's College, Dandenong. The three-course meal was wonderful and highlighted the outstanding skills of the students who are about to finish their academic program and venture into various occupational pathways in Hospitality. We were warmly welcomed by our hosts and enjoyed each other's company. I thought the occasion continued to strengthen our club's link with the Rotary Club of Noble Park, Keysborough as we continue to have joint service ventures and in the future.

I was recently in contact with Val Glenn and John is making solid progress in his recovery. They send their heartfelt thanks to all of our members. I know I spoke of all of us in that we are looking forward to seeing both John and Val back at our Club meetings.

This week we will be assisting together with the Rotary Club of Noble Park Keysborough operating the BBQ for car seat restraints sessions in Springvale on both the 31st August and the 1st of September. Thank you once again for giving up your time and for your support of this project. The roster for this is on the following page.

On September 6, the club will be hosting Daryl Moran, Coordinator of our District 9810 EARYACT program. The three local Primary Principals will also present on their service programs. I hope that this will be the beginning of us being involved with the Rotary Earlyact program with our local primary schools. If we can involve our younger citizens in relevant and significant service programs, hopefully their parents will also become involve. By having a positive and meaningful service experience with their children, parents may consider membership to our Rotary club as a valuable community service organisation.

On September 27, there will be a Board meeting only. Would those on the Board please send Sue their program reports and agenda items at least a week prior to the meeting?

On October 4th, our Club will be hosting our District Governor at our meeting in the Victoria room at the Mentone RSL. The is a terrific opportunity for DG Russell Gurney and his wife Shelly to visit and enjoy our fellowship and hear about the wonderful service projects were have been involved in and plan to do in the future.

Be good, be safe and be happy.

Active involvement in providing meaningful, valued activities that benefit and enhance the qualities of lives in our local community and beyond.

Promoting partnerships between Victoria Police, the community and key partners within the City of Greater Dandenong to support and encourage the safe transportation of children.

Keeping children safe

Road trauma is the leading cause of death and disabling injury for children in Australia. By using the appropriate restraint and using it correctly we can save children's lives.

Free

Coins for Kids

Our Rotary club has collaborated with local businesses - the Bendigo Bank and World Destinations, to collect overseas coins and notes to benefit the most disadvantaged children in the world.

Did you know that 60 Euro cents could provide a child with a pencil and book for school? 180 Thai Baht (the equivalent of \$6) will provide 20 doses of potentially life-saving measles vaccine.

Foreign currency collected will be given to UNICEF's Coins for Kids program. UNICEF is a leading organisation providing help for the most vulnerable children. If you have foreign coins that may never be used again, bring them to our meeting or if you are in the shopping centre please drop them in to the branch of the Bendigo Bank or World Destinations in Centre Dandenong Road opposite the shopping centre.
